Board Certified – Music Therapist

About Us

Founded in 2007, CODA Music Therapy Services, LLC (CODA MTS) is a privately owned agency which specializes in providing facility-based services throughout central Michigan. Our mission is to provide Creative Opportunities for Developing the Abilities of ALL! Our services include, but are not limited to: music therapy and adapted music education within schools; music therapy within medical and long-term care facilities; and early childhood music and movement programming within preschools and childcare centers.

Position Description

We are looking for a part-time music therapist to join our team in September 2018. At minimum, this position would consist of one day per week facilitating music therapy sessions with older adults in long-term care facilities (some memory care and/or hospice) throughout Lansing, MI and surrounding areas. Travel is required for this position and will be compensated. Scheduling is flexible within weekday business hours. There is potential for this position to increase and may eventually include facility-based clinical work within special education, early childhood, medical and/or mental health settings.

Duties

- Develop music therapy treatment plans and provide goal-based direct music therapy services to CODA MTS clients and contracted agencies through individual, group, and co-treatment.
- Complete all written documentation in a timely manner.
- Effectively communicate with clients/client families, interdisciplinary team members, and colleagues.
- Maintain confidentiality of all clients in compliance with HIPAA and FERPA laws.
- Attend CODA MTS staff meetings, participate in company supervision opportunities, present in-services and attend community events as a representative of CODA MTS.
- Adhere to CODA MTS Policies and Procedures.

Qualifications

Candidates must possess a minimum of a bachelor's degree in music therapy and board certification as a music therapist (or eligible to sit for certification exam) by the Certification Board for Music Therapists. Therapist may also be required to submit background checks, health records, participate in drug testing

and other health and safety related documentation as necessary to participate in work settings. Since this position involves travel, a valid driver's license, reliable transportation, and auto insurance are required.

Wage

Wage based on education and experience in the field.

Anticipated Start Date: September 4, 2018

Open until filled.
